In Dedication To Mrs. Ann Downey

The Quill Staff of 1982-83 would like to dedicate our year-book to Mrs. Ann Downey. We appreciated her years of reaching at W.H.S. and would like to wish her good luck in the future.

1982-1983 School Year Begins!!

Hog Days!

There were many W.H.S. students participating in the Hog Day's Festivities. The Salt and Pepper quarter performed in the Talent Contest along with the Pom Pon Squad who received first place.

The Cheerleaders were invited to show their spirit in the

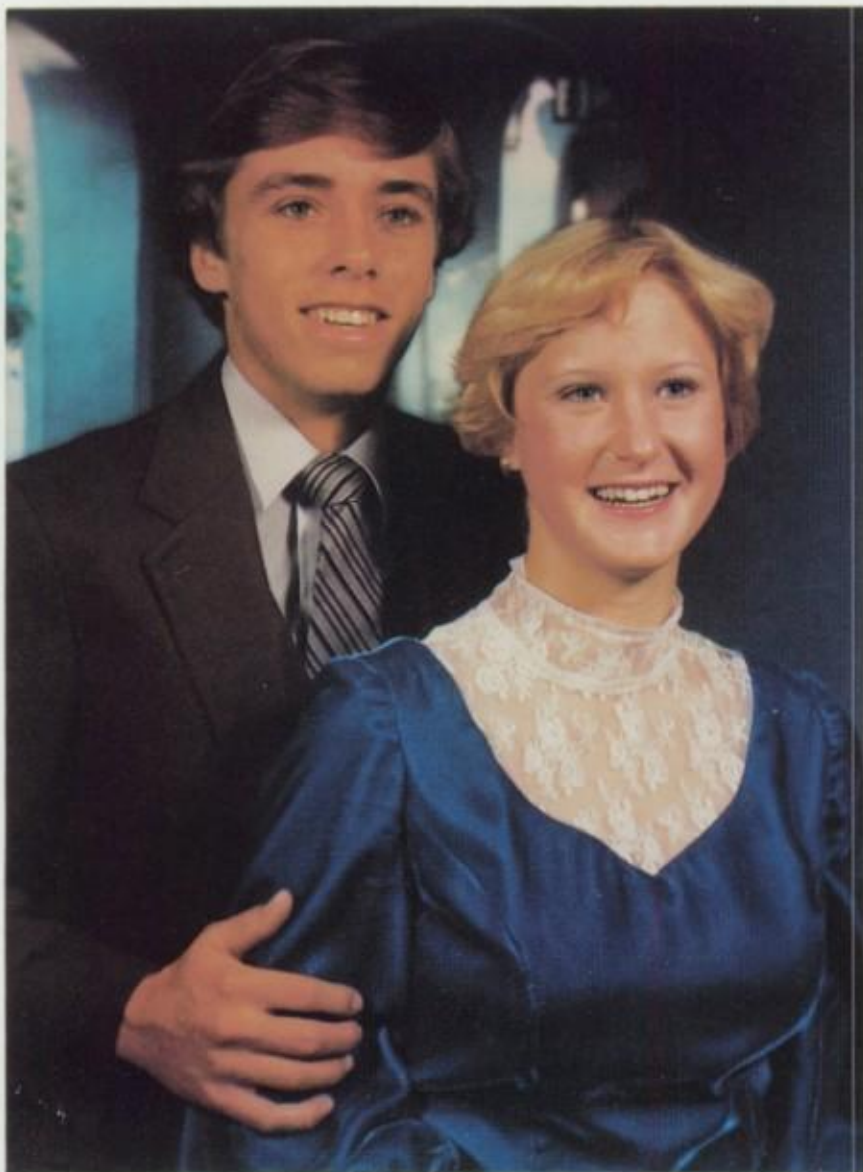

parade while the Marching Geese received first.

The W.H.S. Hogettes also placed first in the Hog Calling Contest.

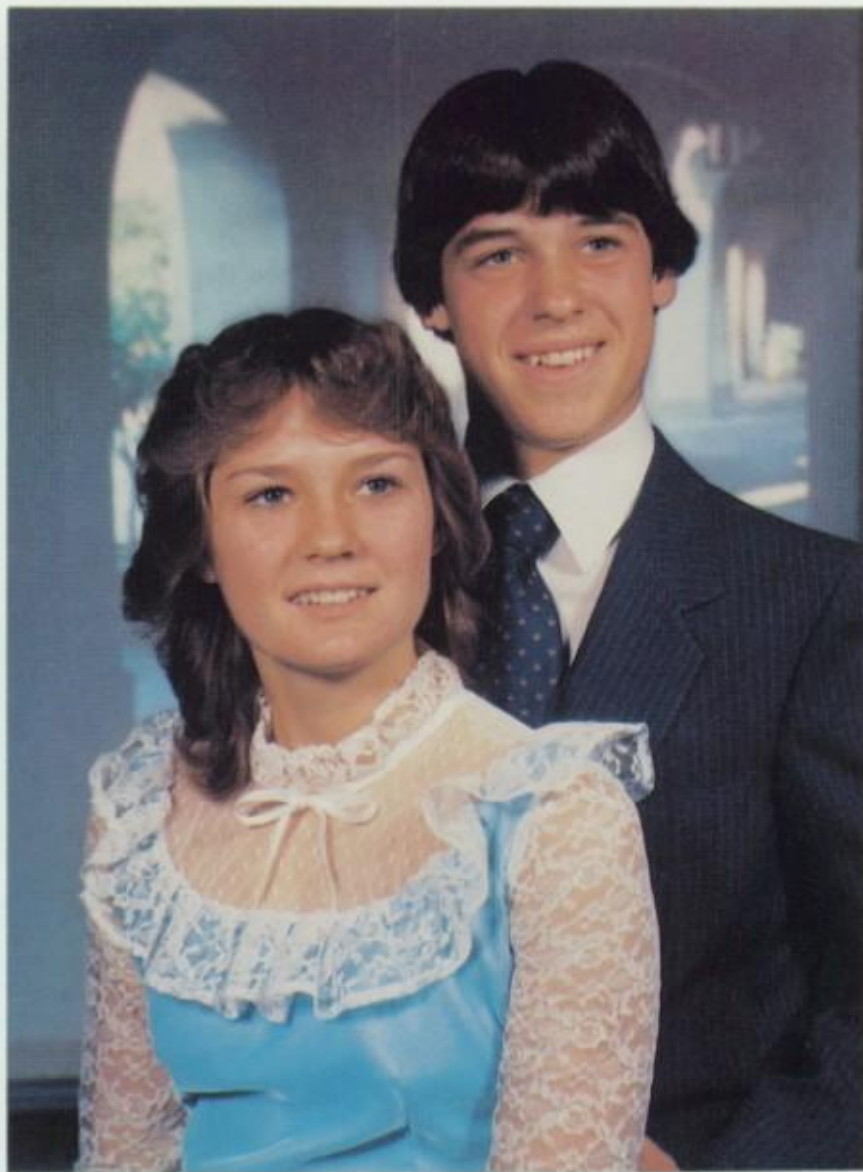

Overall, Wethersfield High School dominated the 1982 Hog Days Festivities!

This year's homecoming turned out perfect! No one could have asked for nicer weather, a funnier skit night, better designs for the class floats or even a nicer theme for the dance!

Homecoming was held on October 15, 1982. The dance theme was decorated to the movie E.T. We had purple streamers and flowers for decorations. With Destiny as our band, everyone had a wonderful time.

Homecoming — A Faddish Week!

Homecoming Spirit Week was a success with the winners being Kathy Royce, and Rober Rashid for hat and sunglasses day. On Wednesday which was uniform day, Kay Graff and Brian Bond were the recipients. Thursday which turned out to be the craziest day of all was very hard to judge, but the best punkers turned out to be Matt Neff and Missy Herrick! 1982 Football —

The 1982 varsity football team experienced a rewarding and successful season. This success was reached by the involvement of many people: coaches, players, managers,

cheerleaders, parents, and fans. There were many other people and businesses that contributed to the success of the team. Through dedication and hard work this team achieved

goals never reached by another team in this school; they won the Lincoln Trail Conference, advanced into the semi-finals, and won ten games in a row. The teamwork and togetherness of this team was one of its best characteristics. The Senior's

leadership and incentive always kept the whole team going. They never gave up no matter how rough it got. If this team has the attitude towards life that they had towards the 1982 season, they will all be very successful.

This team brought our student body together and gave it terrific amounts of spirit. The 1982 football team made the entire community and especially those members of this school very proud, and for a very good reason.

The 1982 season is the best for Wethersfield High School YET!!!

The J.V. record in the LTC was three wins and four losses. We were three and five for the season, losing to Princeville as a non-conference game.

The highlight was defeating R.O.V.A. in the last game of the season. Winning this game put them out of the lead for the LTC.

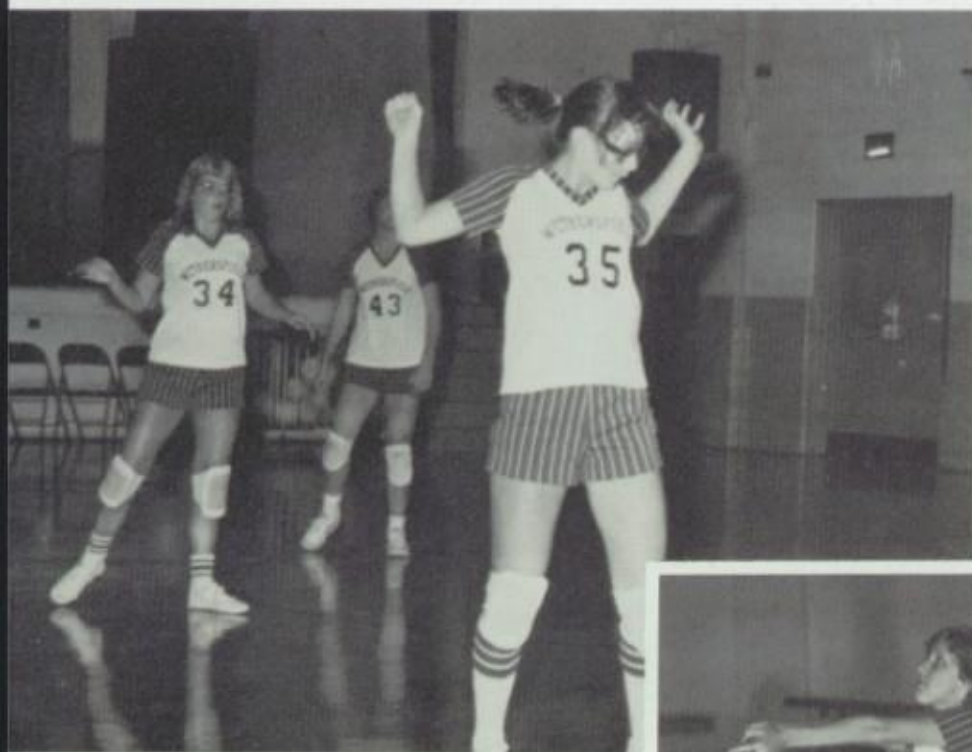

The Goslings had a new coach, Mr. Feldner. This season was a building year, and everyone is looking forward to the Junior Varsity gridiron next year.

J.V. Volleyball LTC Chmps

Ten freshmen and ten sophomores participated on the F-S Volleyball team this year. Their record was 10-4 for the season. Wethersfield won the Lincoln Trail Conference Championship at the Fresh-Soph level with a 6-1 conference record. Hopefully,

this winning tradition will continue as the Lady Goslings mature, gain experience, and advance to upperclassmen. Congratulations on a fine season.

The 1982 Golf Season was an interesting season. The Varsity record was five wins and seven losses. Although it wasn't a winning season it was quite rewarding. The Junior Varsity faired better with six wins and three losses. Kevin Noll had an outstanding season with the best stroke average and the best individual scoring around. Kevin was also comperitive medalist five times. The JV did very well and are looking to a great varsity season next year. They have a lor of potential talent. Overall everyone on the team had a good time and an excellent learning experience!

SCORE!

This was a team that got off to a slow start, but as the year progressed, so did their performance. Playing mostly sophomores and juniors, with only one senior on the team, they compiled an 8-8 record after Christmas, and a 7-7 record in the Lincoln Trail Conference, which was good for a fourth place overall. Included in this was an exciting upset win over R.O.V.A., a five game, home court winning streak, and four wins in a row in conference play late in the season, including three close games.

It is a team which has a sound foundation for the future with six returning lettermen. The experience gained this year should be productive for the future.

The 1982-83 Goslings season had its ups and downs. They started off with a 5-0 mark and captured the Annawan Thanksgiving Tournament. Next came their conference schedule where they could only manage a 4-10 record. And finishing the season on a very positive note, the Goslings placed third in the Atkinson Tournament out of twelve teams. Their over-all season record finished at 12-12. A lot of experience was gained through the season as every Sophomore started at least one game and three Freshmen saw considerable playing time. These gains certainly make the future look bright for next year's program.

Learning To Fly: Girls J.V.

Front Row: Monica Salisbury, Sue Tomsic, Julie Rariff, Lisa Barrman. **Middle Row:** Pam Nash, Tanya Jones, Tami Thompson, Angie Perkins, Karen Wisely, J.V. Coach Miss Rashid. **Last Row:** Becky Jones, Laurie Dares, Peggy Harker, Sue Labedis, and Karlene Klein. This year's J.V. had a pretty successful season, and they're looking forward to next year.

Watching the girls' Junior Varsity Basketball team was an exciting experience. After a few unfortunate losses, we got down to some serious basketball. We had team work, ability, and good coaching all wrapped up in one team. A newcomer to the Gosling team, Coach Debbie Rashid, kept our team going. We finished the year with a record of 10 wins and 5 losses.

Lady Geese: Sweet Sixteen

The Wethersfield girls' basketball team of 1983 had a terrific season — actually the most successful girls' basketball season ever at Wethersfield High School. Winning the conference by beating Winola in a close game was great, but defeating Galva (for the third time in one season) for the Regional title was even more than expected. Having only three juniors for the varsity squad, the sophomores and freshmen had a job cut out for them. To say the least, they came through with flying colors to help out those talented juniors. Even though they missed their big chance to play in Champaign, to play a team like Rushville and lose

was nothing to be ashamed of. The biggest dream of any basketball team is to play at the U of I Assembly Hall, and this is especially true for this Wethersfield team that was defeated in the super section-

al by Rushville, who ended up number two at state. Next year, having all the members back has a prediction of an even greater glorious year.

As The
Year
Turns

Foreign Language

The Foreign Language club elected Brian Bond as Pres., Liz Jones as VicePres., and Nancy Schoen as Sec.-Treas. The weiner roast was unfortunately cancelled because of rain. However, we had a very exciting costume party which was held at the school. There were many games and activities along with good food and a lot of laughs! The annual banquet was a big success. One enjoyed a various amount of exotic cuisine.

V.I.C.A. With Class

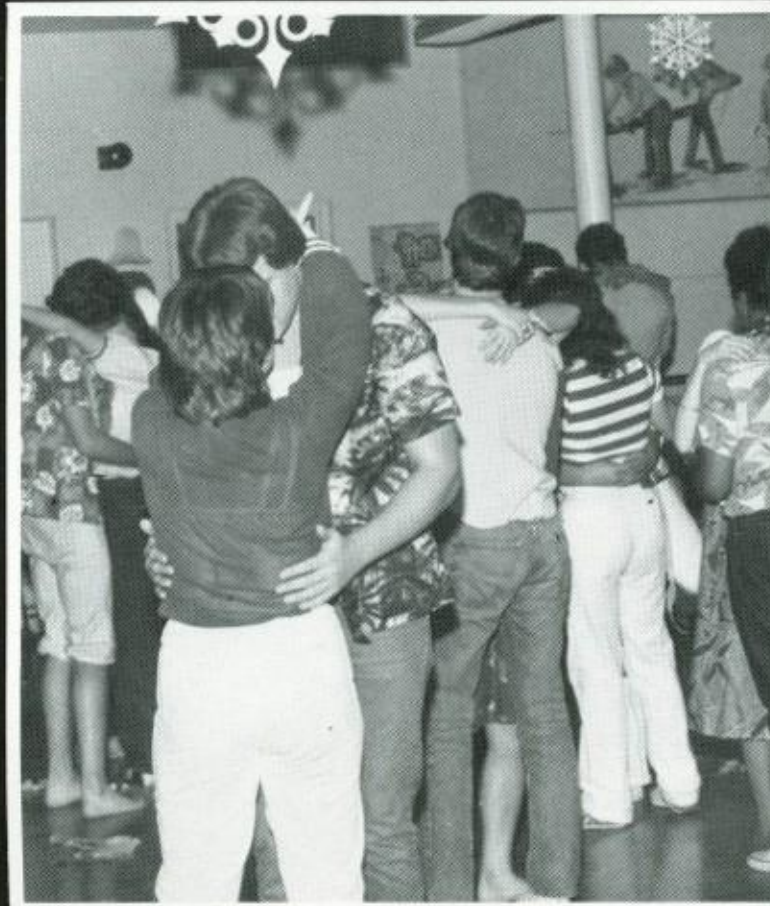

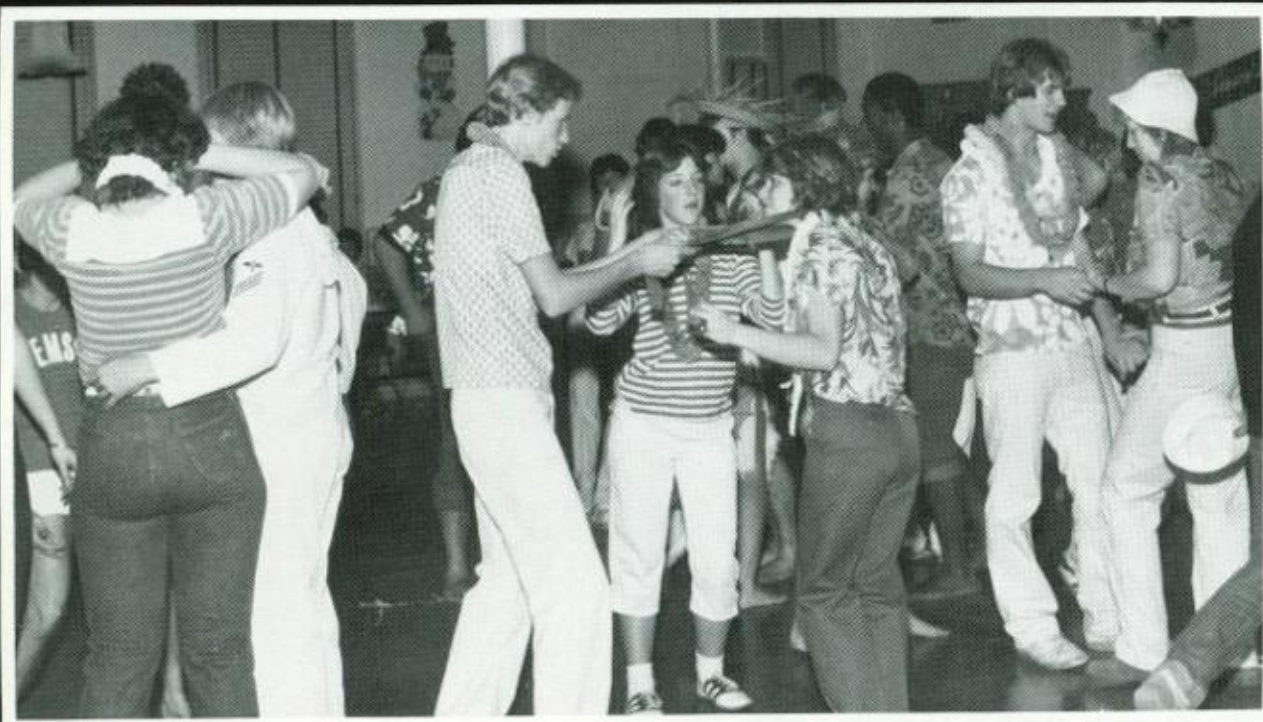

This year's V.I.C.A. club started their year with the sale of pig planters. This was highly successful. Our Luau this year was exciting and fun for everyone who helped and everyone who attended. We hope you enjoyed it as we enjoyed giving it. Our next project is to restore the puppet stage for use by the Kewanee Public Library. We would like to thank all those who helped us and we would like to see new people next year as well as the old ones.

The 1982-83 V.I.C.A. Members are: Roger Wager, Dan Larson, Treasurer; Rober Rashid, Vice-President; Kay Graff, Theresa Foster, Sue Labedis, Alan Swearingen, President; Randy McIntire, Mr. Von Wojcik, Mike Hughes, Scott Tornquist, Kerry Renfro, Gordon McNaught, Danny Lindstrom, Rich Currier; not pictured are Troy Baumgardner and Shannon Hill.

Saturday Night In

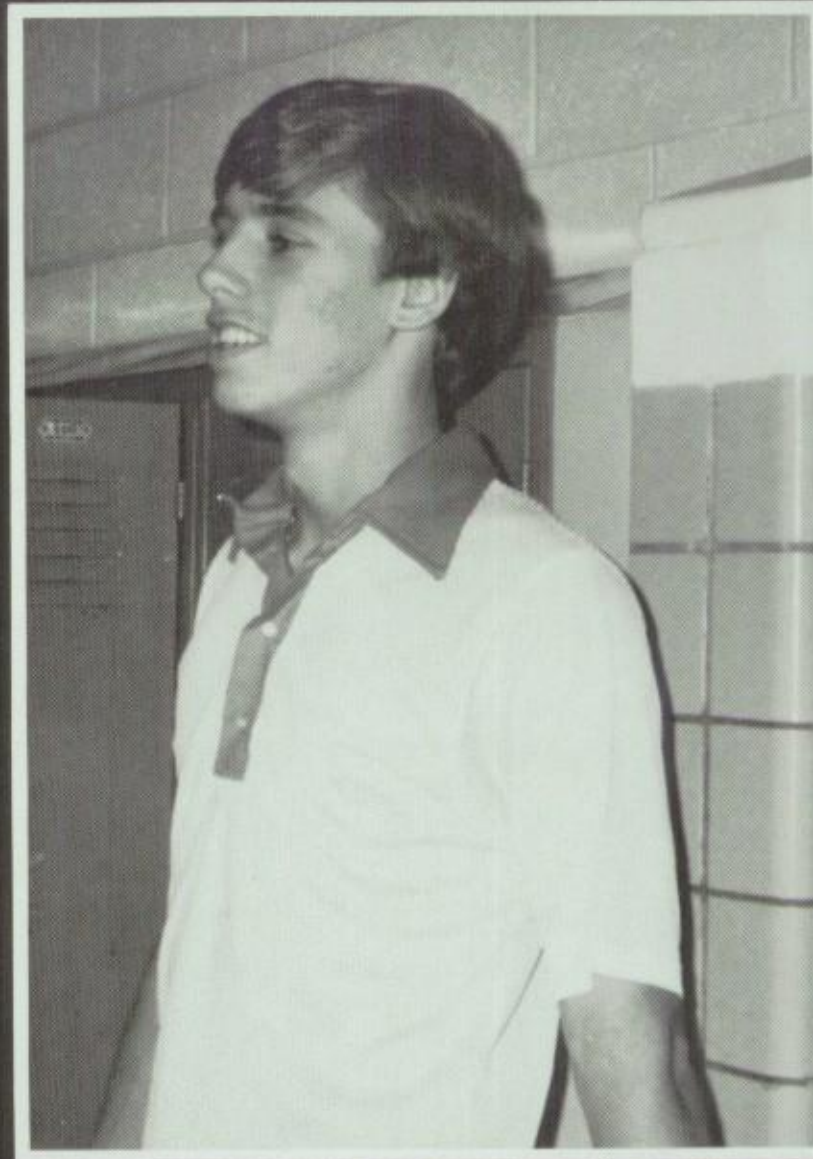

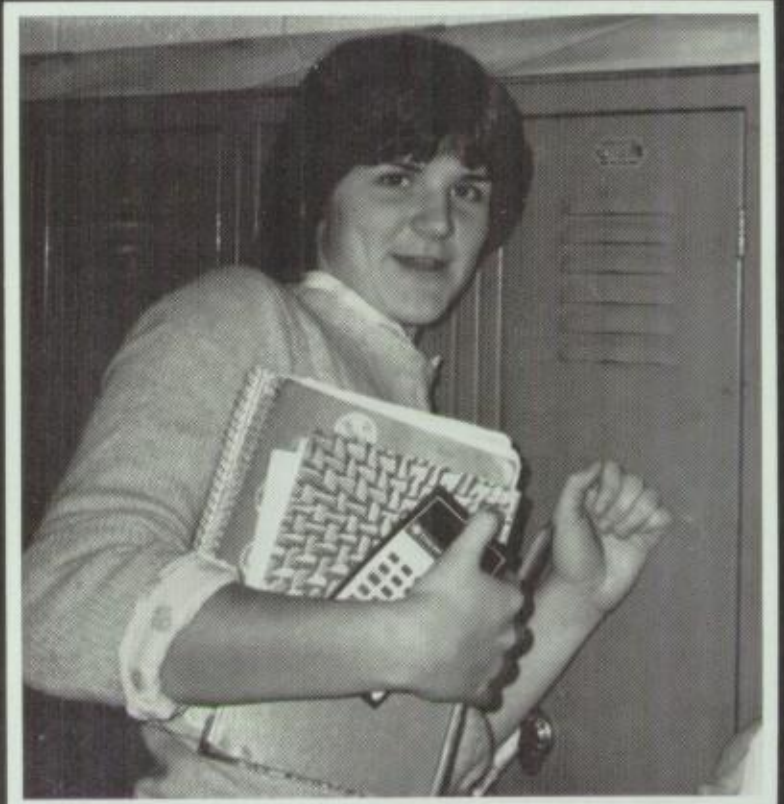

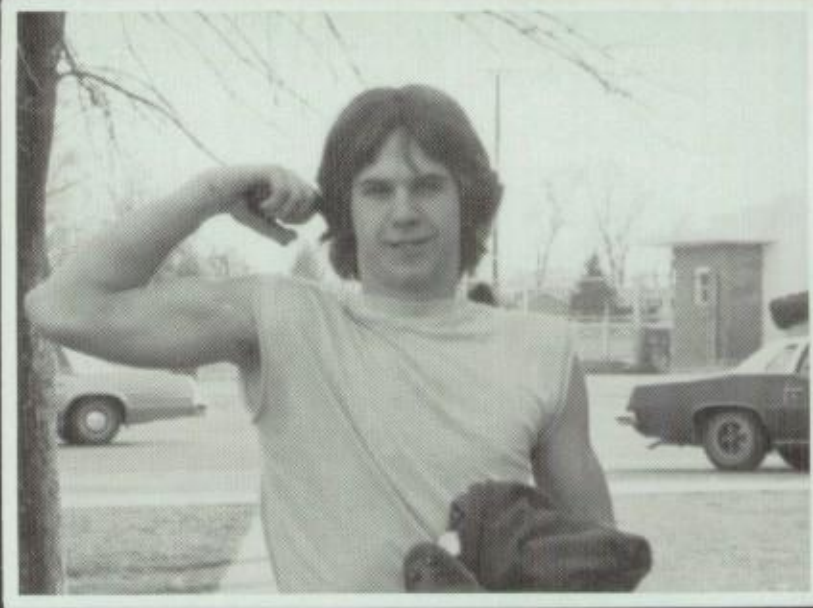

South Sea Paradise

The 1982 VICA Luau was very exciting. Everyone had a good time. South Seas dress makes the dance very unique. One of the famous attractions at this dance is the passion pit. All who attended had a great time dancing the night away!

Daytime Magazine

The 1982-83 Media Club officers are pictured above, from left to right: Sandy Edwards, President; Chris Currier, Vice President; Laurie Jacobs, Secretary; and Elaine Smith, Treasurer.

Throughout the year we had various money-making activities such as donut, mum, pin and bake sales. We also had a Book Fair, all activities proved to be very successful.

Our Christmas Party was held at the home of Cathy Pitzer where we played games, opened presents, ate a lot, and had a great time.

This year was the first year the Media Club participated in using video equipment. Classes were held to learn how to operate the equipment.

We ended our year with our annual trip. On April 16 we visited the House On the Rock and ended the day by touring a cave.

Pom Pon Girls

Let Us Entertain
You . . .

The 1982-83 Pom Pon Squad had a very successful year. We attended camp at ISU in June of 1982. We received a first place trophy for our original home routine. We also brought home a spirit stick for our outstanding school spirit. Our first performance was in the Hog Day Talent Show where we received first place and one hundred dollars. During the season we performed eye-catching routines such as "Flamethrower," "Gloria," "Oh That Feeling," "Everybody Wants You," and, last but not least, the senior routine, "Rock and Roll Party In the Streets." This year we used routines that we learned at camp along with routines made up by the squad members. We feel that this year was very rewarding especially considering that seven of our twelve members were new to the squad this year. The cooperativeness and friendship of this year's squad made it an enjoyable and successful year!

Day Time Actors

The 1982-83 Speech Club enjoyed an exciting and successful year. Each month, our club met for meetings. We attended five contests. At least one team member reached finals at all but one of these. We entered district with nine events. Six events advanced on to Sectional. Three events made finals at Sectional. One of these, Dramatic Duet Acting with Jim Culver and Anna Garcia portraying a scene from Othello received second place and were on their way to State, the first event from Wethersfield since 1976. At state, the duo received sixteen making us very proud of them. Our club also attended a play at Circa 21, Bus Stop, which we all enjoyed. The club looks forward to 1983-84 which promises to be an even better year.

This year's student council started off the year by having a new sponsor, Mr. VonWojick. Our first project was Homecoming. This year's theme was "The World of E.T." The entire week turned out perfect. The student council remained busy throughout the year with: Christmas Tree, Heart-O-Grams, the Board of Education Tea, Teacher's Appreciation Dinner, Student Council Week, the Arkansas Gem

game, and other projects which we are currently working on. This year's council has worked quite well, thanks to those people who are dedicated and hard workers. So on behalf of the council we would like to wish Mr. VonWojick and future council's luck and much success!

ing, Lynda Schoen, Missy Herrick, and Lori Hodge. The JV cheer-
leaders were Janel Eisenbarth, Theresa Foster, Wendy Kelman, Vicki
Mahaffey and Michelle Thompson.

Both squads attended camp at The University of Wisconsin. The two
squads did very well in their performances. Varsity received four
superior ribbons, one outstanding ribbon and was nominated for the
Award of Excellence. The JV received three superior and two
excellent ribbons. The squads together received three spirit sticks.

In attemptr to raise spirit this year the girls sponsored a booth in the hall
for Pep Bus sign-up. Because of their efforts, W.H.S. had a student bus
to every away Varsity football game. Our school came up winners
all the way around this football season; the team won, and the
student body also won by being present for these away games!!!!

Danilo De Sousa

AFS Student From Brazil

Hello! My name is Danilo Sousa, I came from Brazil which has a population of approximately 200 million people. My hometown is called Uberaba and has about 200 thousand people. My family has 4 members. My mama, my brother Daniel, who is 19 and is going to college, my sister Lea who is 28 and graduated in psychology, and I am 18. I'll be done with my high school when I graduate here at Wethersfield. In Kewanee I live with the Kurchma family, My dad, Joe, is an inspector at Hyster Co., my mom, Elaine, works at the bank, my brother Randy, goes to SIU, my sister Christy, goes to ISU, Pam is a senior at WHS and Kevin is a sophomore.

When I first came, it was a little hard because of my English. People came to me to talk and all I said was, "What?", but in time I learned the language and I'm still learning. The year passed too fast. Here I am, time to go home after this wonderful year that was possible thanks to all people in Wethersfield and Kewanee. This year I will never forget. Well, that's all I have to say plus good-bye everybody and thanks again for all you did to me.

AFS World Travler Jeff Miller Germany

To The Students of W School,

My hersfield High name is Jeff Miller, For two verry rewarding months last summer I spent my days in Germany. I stayed in the small village of Konigschaffhausen. My family consisted of Mom (Fini), Dad (Roland), brother (Leonhard), and sisters (Ursual and Barbara). My family was made up of very conservative people. No money was spent unless it was absolutely necessary. We lived in a four story solar home. My father's occupation was fruit farming. Actually, the whole family worked in the orchards including Grandma. Grandma lived with us in the house, up on the third level. While in Germany I travelled to several of the famous cities such as Munich. I also travelled to France and Switzerland. The climate in Southern Germany is a little different than ours. During the hot summer, temperatures usually average about 85° during the day and 68° during the night. In the winter the temperature during the day is usually about 47°. At night it is usually 40° with very little if any snowfall. My trip this summer was incredible. I have never had an experience quite like it. AFS is not only a learning and growing experience but a chance to meet so many new people. I would encourage everyone who has ever had a thought for one minute about AFS to apply. I promise you'll never regret it. Finally, I wish to thank two very special people, my mom and dad, who gave me the incentive, the guidance and the encouragement to participate in AFS.

MARCHING GEESE

The concert and jazz bands worked very hard to make this year's bands a success.

In their new tuxedos, the concert band really outdid themselves. They performed such selections as "Arthur's Theme", and "Apokryphos". The audience was so impressed they gave the band a standing ovation.

The concert band also participated in a festival with all the bands in the conference. Wethersfield hosted the festival and Mr. Brown, from Augustana College was the guest conductor.

The Jazz band was kept busy all year with performances for clubs and organizations as well as school performances. The band went to contest where they received 3rd place. They performed such songs as "Shades of Blue", "One Big, Happy Family", and "Reachin' for a Rainbow".

The F.F.A. is an organization of high school students enrolled in vocational agriculture who plan to enter a career in farming or agricultural business. The F.F.A. promotes agricultural leadership, cooperation, and citizenship. This has been a successful year for the Wethersfield F.F.A. Just You And I

This year's Prom was a fine success. Our theme "Just You & I", taken from the song by Eddie Rabbitt and Crystal Gayle, was the song for our setting in Ancient Greece. Our Prom King and Queen were Kevin Noll and Lisa Edleman. Our

band was "Summer Breeze".

After-Prom included the movie "Without a Trace," as well as bowling at the Dura Bowl.

The Junior class sincerely hopes that everyone who attended enjoyed themselves, as much as we enjoyed putting this on.

Freshmen

Our 1982-83 Class Officers: President, Tracy Olson; Vice-President, Angie Neiryndk; Secretary, Amy Tirlow; Treasurer, Sherri Saigh. Our Student Council Representatives: Lisa Bartman, Tanya Jones, Tracy Olson, and Sue Tomsic. Advisor: Mrs. Brownfield.

The Freshmen class of 1982-83 started the year off with shining noses and strong vocal cords. We were ready for whatever it took to be "in" at Wethersfield High. We made it, through initiation and by Homecoming we were "accepted".

Our attendants for the Homecoming court for our first year in High School were Jon Olsen and Tracy Olson. Our float for Homecoming (called Geese Have the Power to Punch Out a Victory) did not do so well, and tied for third place.

We went through all the "fun" things freshmen go through, like the candy sales and concessions. All in all we made it through the year just to prove that — "86"er's ARE HERE TO STAY!!

Sophomores

We, the sophomores of 1985, started our the year by electing class officers and student council representatives. We elected Liz Jones, President; Matt Neff, Vice-President; Lito Lopez, Treasurer; and Shannon Hill, Secretary. Representing our class in student council were Ty Lindbeck, Peggy Harker, Sue Labedis, and Kevin Kutchma. At Homecoming our float received second place, next came our money making project, which was selling magazines, and then we combined with the Freshmen class to put on the Mid-Winter Dance. Everyone's highlight of the year was getting their driver's license.

The Guiding Light

Finally Seniors!!

For our senior class officers we elected Kim Lannholm, President; Dan Jackson, Vice President; Pam Kurchma, Secretary; and Lisa Edleman, Treasurer. Our student council representatives were Dan Tirlow, Paul Lindstrom, Larry Harker, and Tim Quagliano. We really appreciate all the help of our dedicated sponsor. Without him our four years at W.H.S. would not have been as successful. Thanks Mr. Foster!

Once again, the class of '83 had the first place float titled "Kick Those Cats Out of This World". And we had "mega fun" building it! Our King, Queen and attendants were elected by the entire student body. They chose Larry Harker, King, and Laurie Swearingen, Queen. Our attendants were Amber Ording and Dave Anderson.

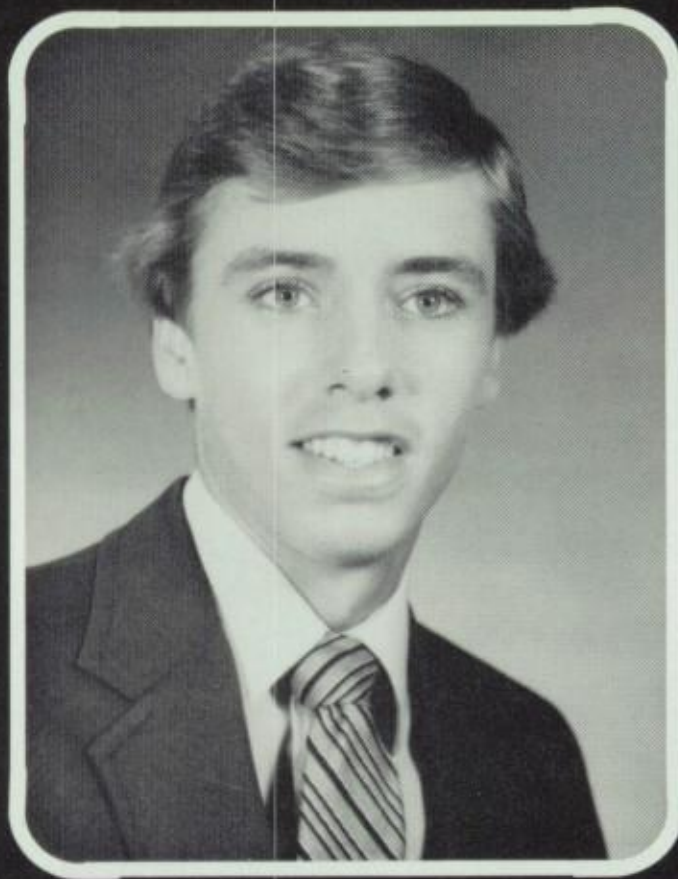

The rest of the year was topped off with a great prom, our senior class trip to Marriot's Great America, the crazy class picnic, and what we've waited 18 years for — Graduation!

We're the best as you can see 'cause we're the class of '83'!

We arrived at the park ready for anything at 10:30 a.m. Everyone wanted to conquer the rides, especially the Tidal Wave and The Demon! Bugs Bunny and Wile E. Coyote greeted us as we entered the park.

The rides weren't crowded because of the weather. Everyone rode the log ride at least once; some of us rode it four times in a row, without waiting in line each time. We did survive the Tidal Wave.

In addition to the rides, there were several souvenir shops and theaters for entertainment! There was also a great variety of food shops. Mr. Foster stole the magician's show. There were also some pretty crazy games.

The bus ride home was pretty wild. Everyone was ready to party on the way home. We had some singing and dancing going on in the aisles. Thanks to Rober, we had fifty gondolas, and Mr. Foster supplied the pop.

Marriott's Great America

'83 Senior Picnic

The Senior Class picnic was Mega Fun! The class took a bus out to Johnson's Sauk Trail State Park. It was a sunny day from the start! — too sunny for some people as they got dark burns! Most of the girls laid out; even a few of the guys did. Quite a few people rented boats; at one time we all had a train of four boats partying out in the middle of the lake. Some people even learned how to row.

Mr. Pillen kept a close watch on everyone with his binoculars. Rober had his fun — he got a refreshing swim after he fell out of the boat! I don't think anyone caught the fish, though. Alan even got in on the fun. Overall, the class picnic was a great finishing party.

I hold my memories close to me;
 Soon I'm in infinity.
 I dream of school days in my soul,
 Taking away my mind's control.
 I hold these moments close to me,
 Sharing my secret fantasies
 I think of college and reminisce
 Of childhood days I often miss.
 I hold my memories close to me;
 My eyes project the image I see.
 I see the struggling with my career;
 I see the outline of a tear.
 I hold these memories close to me,
 Hoping that it's only I who can see
 The fear in my mind
 That I'll always hold,
 The terrible fear of growing old.
 I hold my memories close to me.
 I'm tired and ragged as can be.
 I see that my eyes are sad and gray.
 I hold these memories close to me;
 I know how hard I've worked to be me.
 My friends who shared
 All my hopes and fears,
 My love for them will linger
 Through the years.
